Your Possible Futures?-Part 1: “Special Effects Dept. Rolls out the NWO circus”

Now entering the slipstream of a “negative” kairos. TIME is about to bend---distortions in perceptions, emotions, mental acuity are being altered---except the days be shortened even the elect would be deceived!

Ezekiel 12:19 And say unto the people of the land, Thus saith the Lord GOD of the inhabitants of Jerusalem, and of the land of Israel; They shall eat their bread with carefulness (sorrow), and drink their water with astonishment (stupefaction:--astonishment. Numbness...desolation) , that her land may be desolate from all that is therein, because of the violence of all them that dwell therein. {all that...: Heb. the fulness thereof}

20 And the cities that are inhabited shall be laid waste, (interesting how the cities seem to “get it” first) and the land shall be desolate; and ye shall know that I am the LORD.

21 ¶ And the word of the LORD came unto me, saying,

22 Son of man, what is that proverb that ye have in the land of Israel, saying, The days are prolonged, and every vision faileth?

23 Tell them therefore, Thus saith the Lord GOD; I will make this proverb to cease, and they shall no more use it as a proverb in Israel; but say unto them, The days are at hand, and the effect of every vision.

24 For there shall be no more any vain vision nor flattering divination within the house of Israel.

27 Son of man, behold, they of the house of Israel say, The vision that he seeth is for many days to come, and he prophesieth of the times that are far off.

28 Therefore say unto them, Thus saith the Lord GOD; There shall none of my words be prolonged any more, but the word which I have spoken shall be done, saith the Lord GOD.

Mystery time comes SUDDENLY!

Mark 13: 35 Watch ye therefore: for ye know not when the master of the house cometh, at even, or at midnight, or at the cockcrowing, or in the morning: 36 Lest coming suddenly he find you sleeping.
37 And what I say unto you I say unto all, Watch.

Watch-1127. γρηγορεω gregoreuo, gray-gor-yoo'-o (interesting: we use the “Gregorian” calendar!) from 1453; to keep awake, i.e. watch (literally or figuratively):--be vigilant, wake, (be) watch(-ful).

Root: 1453. εγειρω egeiro, eg-i'-ro

probably akin to the base of 58 (through the idea of collecting one's faculties); to waken (transitively or intransitively), i.e. rouse (literally, from sleep, from sitting or lying, from disease, from death; or figuratively, from obscurity, inactivity, ruins, nonexistence):--awake, lift (up), raise (again, up), rear up, (a-)rise (again, up), stand, take up.

- **Obama-care**—the point is NOT to “take care” of the American people---in fact the effect would be legalized eugenics through selective allocations of “limited” resources, or mandated “care” much like the trial-balloon of the current H1N1 vaccines. THE point of this “debate” is to test the will of the people as to how much control they will accept.

It is not a “coincidence” that the **staging** of the virus scare is occurring in the midst of the health care debate---it is a well orchestrated façade to use fear and extortion to reach a prescribed “end” (according to the oligarchy)

- **Spinning down the dollar**---goodbye, Greenbacks! This is pretty much a *fait accompli*.

Financial meltdown (phase 2), social deterioration, tensions leading to susceptibility of higher level control grids---passive (consensus for control) and aggressive (“justification” for military-police actions of brutal levels).

The “perfect storm” approaches: we are NOW approaching a period where maximum turbulence in the markets (artificial market) is being conjured: Dow Jones exceeds 10,000 on Oct. 14, even as foreign markets grapple with a replacement for the dollar as the reserve currency for international trade). BIG winner: JP Morgan Chase. Can we say: “Plunge Protection Team”? ([Working Group on Financial Markets](#))

Look for “rumblings” in the **foreign markets** in the next two weeks and **DJ averages** that spike and plunge like a patient in cardio-arrest. Expect to hear **of trade “shut-downs”**---ships, trains, containers that are refused delivery---rapid declines in key inventories of food, industrial supplies, finished durable goods, etc., as exchanges scramble to re-finance excessive trade deficits. This would make last Sept.’s market collapse look like a Sunday School Picnic!

Left unchecked a rapidly escalating “**famine**” could be realized full blown in a course of weeks. (famine is quoted, as it is likely staged to gain maximum shock value, and open “consensus” to severe market controls BEYOND those seen after 1929).

This will inflame already restless “natives”, destabilize the social order in the lower-class/socially-subsidized, **urban dwellers (riots, “flash mobs”, looting, and released RAGE)**---as well as key political **reactionary groups**, demagogues, and probably be heightened by insider-agitators---leftist insurgents into the “extreme right wing”---which are already being courted by BIG Media outlets (FOX), as the disenfranchised are “mainstreamed” from the Patriot communities. This, again, is part of the long term “staging” process that has moved “**fringe**” topics into the mainstream.

The **financial threads are the core control grid**. From them emanate all other vectors as money=survival. This is complete **mind control** as truly free markets would adapt and transform (barter, alternative currency modes, “black markets” (true markets). Linked to financial collapse is the “necessity” to **enforce escalated taxing methods** (i.e.-“emergency tariffs”---which will never be rescinded ---to maintain the government power structures---again, mind control.

- **FEAR TALK:** part of the media/propaganda control grid. We would expect to see an escalation of “fear language” embedded into the culture. How nice! Halloween! Subtle embeds already streaming in the cultural collective conscience---amplified by scenes of murder-suicides, huge “disaster movie” auto pile-ups, foreclosed home burnings, disoriented wandering souls in “zombie-like” states---(the current “shock-comedy” film “**Zombieland**”, with Woody Harrelson, serves as an excellent example of the level of surrealism now being funneled into the public consciousness)
-
- **News memes and phantom stories-high weirdness in contrived “synchronicities”**
example: **World watches odyssey of 'Balloon Boy' in real time-**
<http://www.cnn.com/2009/US/10/15/colorado.boy.world.watching/>

Falcon Heene was found in a box in the attic of his family's Fort Collins home, according to authorities. Falcon's parents, science enthusiasts Richard and Mayumi Heene, were featured on the 100th episode of ABC's prime-time program "Wife Swap" in March, ABC said.

According to the network's Web site, the Heene family devote(s) its time "to scientific experiments that include looking for extraterrestrials and building a research-gathering flying saucer to send into **the eye of the storm.**"

Stories like this serve to engage public imaginations in subliminal fashion. It has all the impact: semi-famous family with media connections; a romantic theme of a boy (named “Falcon”) spirited away (rapture? This occurred near Colorado Springs, CO---a hot-bed for both military psy-ops projects, new age mystics, and---a huge populace of Evangelical Christians and Ministries---which are all the same anymore) and then missing from the landing site; a family with ‘oddball’ proclivities toward UFOs and ETs--
-THIS WAS FROM CENTRAL CASTING! Notice the term “eye of the storm”?

Given the current streams of discussion regarding “UFO Disclosure” and burgeoning

supernatural (dark) phenomena, this is likely a planned psy-op much like the **Hardin, Montana roll out of the cartoonish American Police Force** .

Expect---and be observant of such stories, especially when they consume “news hours”---they often bear signatures of a subliminal message, and/or a “test” to introduce new concepts to the public whilst acting as a diversion to the “real news”. Call this an infection vector for conditioning and probing for acceptance of “new memes”

- **“Earth Changes”, climate shifts, and the 2012 juggernaut:** all true and all myths. Again, introduction of **memes** produces control mechanisms to harness imaginations into “new norms” for the purpose of deception. Strong delusions.:

(A **meme** (pronounced [/ˈmiːm/](#), rhyming with "cream"^[1]) is a postulated unit or element of [cultural](#) ideas, symbols or practices, and is transmitted from one mind to another through speech, gestures, rituals, or other imitable phenomena. (The etymology of the term relates to the [Greek](#) word *mimema* for "something imitated".)^[2] Supporters of the concept regard memes as cultural analogues to genes, in that they self-replicate and respond to [selective pressures](#))- <http://en.wikipedia.org/wiki/Meme>)

Isa 66:4 I also will **choose** their delusions, and will bring their fears upon them; because when I called, none did answer; when I spake, they did not hear: but they did evil before mine eyes, and chose that in which I delighted not. {delusions: or, **devices**}

END.
