

“A Window Of Time”

The Threshing Floor Radio Show-Randy Maugans-December 3, 2011

Spiritually, we are all immortals and hold a spiritual existence outside this present space-time realm...what is called the kingdom within. Because we do live inside the time domain, and as beings are designed to grow and mature, there are ongoing cycles of growth and development on every level of existence. We experience this on a soul level, a mental and heart level, even at the cellular level...cells totally replace roughly every seven years...interesting number and we will delve into that on this show.

We have entered the portal of the time period called the quickening. I talked about this cycle back on June 10th of this year

(<http://threshingfloor-radio.com/index.php/2011/06/the-quickening/>), it's worth noting that we defined the quickening as :

Quicken-1 a : to make alive : REVIVE b : to cause to be enlivened : STIMULATE

2 archaic a : KINDLE b : to cause to burn more intensely.

3 : to make more rapid : HASTEN, ACCELERATE

2 : to come to life; especially : **to enter into a phase of active growth and development.**

Some of you are sensing the changes on the planetary, as well as personal level right now. And with it, perhaps a few discomforts, along with, hopefully, some wonderful new sense of excitement. Change and growth are a two-edged sword...and recall that as warriors, we “arc the sword within”

(<http://threshingfloor-radio.com/blog/index.php/2011/08/watchmen-to-warriors-the-battle-within/>).

Some of you feel like you are dying...and you may well literally BE “dying”, as the little “I”---the self, the ego, the meat puppet, lingers in a season of death.

Along with that, is an awakening to what we call the spiritual person, or the “higher self” --- yes, it is a new age term, popularized (but not coined) by Shirley MacLaine way back in the late 80s. The reason I drop that particular term is because it is the most visual for our purpose of understanding what we will call “spiritual positioning” and spiritual growth. In the Bible, this is called the spiritual body (1 Corinthians 15:44) and is tied to the resurrection of the dead...most Christian theology ties this to the resurrection after the actual, physical death, but it is really the death of the self...the ego person, and the rise of the spiritual being's dominance in the “new birth”, or birth from above (mis-translated as “born again”)...the higher self is that spiritual being which AWAKENS...or QUICKENS in this new birth experience...called many things: enlightenment, Samadhi, the opening of the third eye...as Jesus described in **Matthew 6:22** *The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light.*

Scripture accurately describes, and religion inaccurately interprets this resurrection experience as something that happens somewhere/sometime in a kingdom far away, BUT, Jesus told us the kingdom

of heaven is “at hand” (Matthew 4:17)---the word interpreted as near or ready. The so-called “born again” experience can only be accurately described as coming with the death of a PREVIOUS life.

In **Luke 13**, Jesus describes the kingdom of God as: “like a grain of mustard seed, which a man took, and cast into his garden; and it grew, and waxed a great tree; and the fowls of the air lodged in the branches of it. (v.19)---and, yes, mainstream Christian theology tells you this is a BAD thing...the verse following, says the kingdom is like “leaven, which a woman took and hid in three measures of meal, till the whole was leavened.”---and, of course, leaven is also associated with evil, or sin...but only during a Passover...leaven, like the mustard plant, is useful and good...these were practical examples used by Christ to address the crowds...so please, disassociate the religious jargon; and HOW could the kingdom of God (which by His own definition was the highest calling---and was WITHIN) be bad? If He tells us to seek FIRST the kingdom of heaven (or God, same thing), then how could it be “bad”? The problem with theology is how contrived it is, and patently FALSE. Jesus was perfectly consistent!

The new birth and resurrection are cycles of change...like a chrysalis...the caterpillar to the butterfly...it is a METAMORPHOSIS. And, like that cycle of metamorphosis, there is a certain timing aspect...seasons...cycles where the being goes through changes...often accelerated changes, or what we call the QUICKENING.

Changes of this nature occur with cycles that are BOTH outward, according to the season, and also inner, according to the being’s appointed cycles. These are what we call a “window of time”, wherein the being transitions, or perishes! Caterpillars MUST become butterflies, or perish. Babies become children, then adolescents, and move to adulthood...but the cycles always continue...until the beings eventually cycle to what we call DEATH, or **discorporation**.

Ecclesiastes 3:1 To every thing there is a season, and a time to every purpose under the heaven: 2 A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted...

Prophetically, we are in the beginning stages of a MASSIVE transition...a “window”, whereby, people are being transformed by the EXTERNAL forces of what we call “The Shift” (<http://threshingfloor-radio.com/index.php/2010/11/the-shift/> -TF- 11-17-2010). Economies are shifting...crumbling...global political structures are re-forming, or, like the EU, in danger of collapse!

Notice that this past week in New York, the aligned western financial powers met to attempt to salvage the Euro, and restore liquidity to the European banking system...forget restoring liquidity to America!...with Greece teetering, Spain listing at a 30 degree tilt, and Germany attempting to funnel funds to salvage the EU, the western cabal of bankers HAD to pull rabbits out of hats, or the entire western banking system would implode---including the US.

Notice that the Occupy movement---while being evicted from parks---it still standing...and gathering considerable support. Notice the desperate shuttling of Sec. of State Clinton and elevated rhetoric...notice that Obama is so immobilized, he has resorted to his “CHANGE” mantra...mindlessly forgetting that HE WAS the change.

The IMF---an arm of the World Bank/Federal Reserve/Treasury of the US had to be bailed out to the tune of 200 BILLION Euros, to aid in European bailouts. Folks, the IMF has traditionally operated in Third World economies, as per John Perkins' "**Confessions Of An Economic Hitman**". The US is liquid, but insolvent...the military-industrial complex remains America's sole viable export...death, mayhem, and destruction...what is wrong with this picture?

Consciousness is changing as well...this is far more subtle, and likely NEVER to be discussed on the evening news, but my experience is one whereby I daily see and hear people going through radical changes in thinking---some for better, others---being hardened in their hearts, for worse. Of course, a vast many are caught up in the MIND CONTROL of life on the material plane...eating and drinking, watching sports and entrainment TV; shopping for CHRISTMAS (mass hypnosis), and generally behaving as the unconscious beasts they so are...BRUTE BEASTS, according to Peter and Jude.

I'm guessing that if you are hearing this, you are NOT one of "them" ...them being the walking DEAD of Zombieland..."I see dead people..." say the little boy psychic in the 1999 film, "The Sixth Sense"...the entire film is an allegory of life on this planet...people who don't KNOW they are already dead. Jesus put it this way: "Let the DEAD bury their dead, but go thou and preach the kingdom of God."

So now we return to the kingdom of God again---interesting circle it is! To "preach" the kingdom of God is NOT some act of what is called "preaching" by the religious...the word means to "signify", or be a MESSENGER---an angel. To "signify" means to present a "sign", or a "token" ...Matthew 6:22-the single eye; the body of light. So instead of some silly religious proselytizing, we are to present ourselves as beacons...being of those who are transitioning from the chrysalis to the beautiful butterfly.

As the entire planet shifts, as perplexity reigns and darkness looms---WE are to be signs of the coming new beings who go through the ego death, and move to the mode of LIGHT BEINGS...LIGHT WARRIORS. For us, the resurrection is as was with the Christ...awakening from the artificial death of the human coil--the EGO, or self; and into the luminous being which ASCENDS to the realms of spirit-filled thought, and selfless love. As our hearts are elevated, we transmit waves of vibrations...vibrations of love, healing, hope, restoration, deliverance...to the world still caught in the undertoe of lower energies...the Satanic system that must PERISH.

BREAK---"Good Intentions"-Toad The Wet Sprocket

THE NOW-ness

Welcome back. We are discussing a "window of time"---the transition, the shift...the metamorphosis. This present time of quickening IS painful. You may be going through physical pain...emotional distress...like the proverbial refining fire, the heavy dross is coming to the surface; the unstable elements are burning off. As purification occurs, we go through a heightening of our emotions; our perceptions start to sharpen; we undergo moments of great clarity, even as it seems we are in confusion. This is all normal for a change state...like acne on a teenager, or gray hair in aging, there are SIGNS of passage in time.

When we pass through such periods, it is useful to grab onto a concept I call “Now-ness”...this is the sense of a continuum; a PERFECT present that supercedes chronological TIME. A few years ago I did a show (<http://threshingfloor-radio.com/index.php/2009/08/mystery-time-kairos/>) on what is called in the Greek, *kairos*, or MYSTERY TIME... I described it as “ a time in between, a moment of undetermined period of time in which something special happens.”...a METAMORPHIS.

Kairos, or mystery time is NOT chronological...it is PERCEPTUAL; it is outside the linear, standard processions of seconds, minutes, hours, etc. ... it is INTERNALLY DRIVEN, and EXTERNALLY ORDAINED. So---when we line up with the clockworks of the Spirit, changes are accelerated; perceptions change rapidly. Spiritual gifts and callings become clear and new abilities, insights, and actions start to occur.

There are stirrings of desire to do new things...like pray and meditate; to seek healing gifts, gifts of intuition; dreams and visions...all the spooky, wonderful things hinted at by the mystics...by the seers and prophets...and, oh yes, you ARE a mystic...you may be a SEER..you ARE called to be as “HE IS” ...you are I AM THAT I AM. And I think some of you sense this...some of you KNOW (and KNOWING is actually what is called “faith”) in your heart of hearts, that there is a GOD-ness found in the NOW-ness.

Mystery time...the NOW-ness, operates internally inside you as your consciousness rises UP to meet the ONE God...the One we call the Father of Lights. Passage through this corridor of timing CAN be disorienting...just as, for a few brief minutes, the emerging butterfly struggles to move wings it did not previously have...just as a wobbling baby calf will rise to make its first steps...beings in rapid change falter for a few moments...then rise to claim the NEW STATE OF BEING. Infants are counted by the days of their “birth”---their time invitro is OUTSIDE the perception of time...we take the first BREATH (SPIRIT) and we begin the life clock...all things have cycles within cycles...all states are preceded by states that are measured differently...these are mysteries...little clues to the BIG mystery of the New Birth.

As We talked about in the first half, the resurrection/new birth/born from above---physically manifested and represented by the birth/life/death/resurrection of the Messiah---are stages of the SPIRITUAL journey of the soul in this present existence, or incarnation.

The “stage”, so to speak, of the great play we are in (shifting metaphors a bit) takes on new lighting; a scenary change; fresh costumes and make-up...and even new personas appear. The shy, retiring person become bolder...and evolves into the “hero/heroine” character...villians appear from the backdrop...contrasts arise that give dramatic contours to the plot. These are the changes that take place as we go through them...we are both actor and audience...playwright and critic...we are part of something which we also OBSERVE---because as we SHIFT, we develop the higher perspective...the inner eye opens to view both the OUTER and INNER...the UPPER and LOWER selves, who are both actor and character in the same view...“if thine EYE be SINGLE” (Matthew 6).

This NOW-ness is the stage...the PERFECT PRESENT where the infinite and finite merge. Now, all of that sounds mystical and very ephemeral...but, in fact, it is both PRACTICAL, and very lasting. We DO change, in some respects, “in the twinkling of an EYE...” and this is the mystery. Change means we BECOME...we move from one stage to another stage...a HIGHER stage, wherein we are transformed. BUT---as humans creations with FREE WILL, we very much do have the choice to MAKE the change. Yet, like the chrysalis,

we also face certain death. Because choosing to NOT make the ordained changes, in the ordered time, means we deny our soul development and begin a DOWNWARD shift that freezes us in that state, and denies the invitation to BECOME...to transform into the Higher Calling.

Sadly, the majority of people...and especially religious people...will completely miss the signs; ignore the call; desire to not suffer the pains of transition...and, in effect, MISS the “window of time” allotted for them to make the transition. These, Jesus called “the dead”. And in this profound season of transitions on every level, this is the most perilous state in which to be found:

“And shall not God avenge his own elect, which cry day and night unto him, though he bear long with them? I tell you that he will avenge them speedily. Nevertheless when the Son of man cometh, shall he find faith on the earth?” –Luke 18:7,8

Judgment is pretty much a “summary offense” with Creator (summary here means: done without delay or formality : quickly executed-Webster’s Dictionary). We do ultimately judge OURSELVES...worthy, or unworthy. It is all over the teachings of Jesus; it has EVERYTHING to do with the new birth/resurrection cycle...and like the days of the scribes, Pharisees and Sadducees, it becomes a matter of SWIFT recompense!

We are in the times when “Jerusalem” (the city which is ABOVE---the abode of the resurrected “new lifers”) is surrounded by armies. We are instructed to FLEE...now, let me put this in SPIRITUAL terms”

Luke 21: 20 And when ye shall see Jerusalem compassed with armies, then know that the desolation thereof is nigh. 21 Then let them which are in Judaea flee to the mountains; and let them which are in the midst of it depart out; and let not them that are in the countries enter thereinto. 22 For these be the days of vengeance, that all things which are written may be fulfilled.

Fleeing, in the spiritual terminology, is NOT a physical evacuation. Oh, you may BE directed to physically safe places...and you should be open, listening, and intuitive about that if God says; but it means to go to the HIGHER realms of consciousness...being IN the Spirit. Galilee is the realm of the material life...the unredeemed, unconverted mind and spirit...the life one held before the death of the small “I”, before the resurrection into the Light Being...before the seating into the heavens.

The Matthew 24 version of the Olivet Prophecy adds this: “Then let them which be in Judaea flee into the mountains...” The mountains are the High Places...the Upper Realms of the Spirit...and if you read the Matthew 24 instructions with SPIRITUAL EYES, each verse gives you more detail as to the nature of HOW we “escape”---because this is NOT some “rapture” ---that’s a childish, carnal, stupid interpretation: when we are SPIRITUALLY directed, when we have move out of the lower vibratory fields of the carnal world we do not concern ourselves with fleeing in winter...we are in the PERFECT SEASON of God’s purpose. We do not concern ourselves with it being a “Sabbath”, because we ARE the Sabbath...our DAYS are “shortened” because operate OUTSIDE the 3-D space and 4-D time domain of the “earth dwellers”...the children of the Adamites...we are already IN god’s time and place. One other interesting detail in the Matthew rendition of the Olivet Prophecy: “Then if any man shall say unto you, Lo, here is Christ, or there; believe it not.”(v.23)”. You see, the false Christs---or those preaching the

false Christ, believe He is COMING in some physical form, or He is OUTSIDE you...but, if Jesus is seated in "heaven", and the kingdom of God (heaven) is WITHIN you...WHY would you look externally? These are spiritually DISCERNED things that religions...and the false prophets and teachers...continue to be confuse---and confusing about. MAKE THE SHIFT..the window of time is short...the DAYS will be shortened, because people who procrastinate in the things of the Spirit, will NEVER DECIDE!

The Last Days...An Allegory

We are in the days of decision for this age. Simple!! Just as those in the age of the Incarnation of Christ chose...as those in days of Moses CHOSE...the age is closing, and there is a soul harvest in progress. There is a simplicity in all this: you do NOT need to continue trying to decipher arcane scriptures...you do not need to WORRY if you are one of the 144,000...THAT is an allegory...**BUT, I do not intend to "metaphorize"** the seriousness of the soul choices we are all making...and don't be confused: everyone WILL choose...some to evil, some through indifference to BE the living dead...and to the few, by most reckoning, will be the privilege to ASCEND to the mountains...the Jerusalem above...we each DO have a choice.

Understand WHO you ARE, and act boldly accordingly. There are marvelous time ahead for us...go read Isaiah 60 again, or read it with open heart if you've not done so, read verses 1-4. There are miracles, signs, and wonderful insights opening up...do not ignore your Higher Self...spend your time seeking the kingdom within...use your opening heart of feel the rhythm of the planet...use your heightening energy to be a healer, a seer, a shaman, a visionary.

I want to close this edition of the Threshing Floor out by tying together the prophetic pictures given by Messiah in His Olivet Prophecies. These are important understandings that have gone untouched because MOST---if not nearly ALL so-called "Bible teachers" and prophecy pundits, who choose to ignore the single most important saying of Jesus IN the Bible:

Luke 17:20 The kingdom of God cometh not with observation: 21 Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you.

From **The Gospel of Thomas**---the wisdom sayings of the Christ:

3. *Jesus said, "If your leaders say to you, 'Look, the (Father's) kingdom is in the sky,' then the birds of the sky will precede you. If they say to you, 'It is in the sea,' then the fish will precede you. Rather, the (Father's) kingdom is within you and it is outside you.*

(Note: when we manifest the kingdom WITHIN, we extend it to the outer dimensions...our spiritual "footprint" become the kingdom manifest before men)

When you know yourselves, then you will be known, and you will understand that you are children of the living Father. But if you do not know yourselves, then you live in poverty, and you are the poverty."

(KNOWING yourself means you, again, manifest that which is WITHIN---you are known as you KNOW, and thus present the INNER to the OUTER...children of the living God, the Father of Lights...who are heirs

to the kingdom. Heirs are not in poverty. Those who fail to respond to the “window of time” ...this present great quickening...both live IN poverty, but become a poverty to others.)

4. Jesus said, "The person old in days won't hesitate to ask a little child seven days old about the place of life, and that person will live.

(This is probably one of THE most cryptic sayings attributed to Jesus. If you have “issues” with so-called “outside books”, this will probably go right by you...too bad, the treasures of the House are HIDDEN. But, for those who are tracking, I had some revelation on this particular saying this week and it goes to the heart of this show:

“When a woman conceives and gives birth to a boy ... on the eighth day, the flesh of his foreskin shall be circumcised.”-Leviticus (paraphrase)

A child of 7 days, then...and we are speaking spiritually...is a child who is about to be circumcised. Circumcision is the picture for the piercing of the heart, for the entering into the inheritance of the kingdom after the new birth. The (spiritual) male (there no male/female in the spirit, we return to the estate of the angelic realms...again, this is SPIRITUAL) is about to undergo the rite of passage into COVENANT.

Mark 10:15 Verily I say unto you, Whosoever shall not receive the kingdom of God as a little child, he shall not enter therein.

The passage into COVENANT, the portal, is accomplished on the EIGHTH DAY...spiritually, Jesus tells us to RECEIVE the kingdom as the child of SEVEN DAYS, because this is the state of KNOWING. It is innocence...the child of seven days is (SPIRITUALLY) also the child of Shabat---the resting in the KNOWING of God---the eighth day is the FIRST DAY:

For many of the first will be last, and will become a single one."

The first mentioned in the Thomas passage are those “old of days”, and these enter in as the last...the child of seven days...the seventh day, and the eighth day are accounted as ONE...Sabbath and New Beginning. The Thomas account of the “first shall be last” is what is called a **double entedre**: capable of being interpreted with more than one meaning.

Matthew 20:16 So the last shall be first, and the first last: for many be called, but few chosen.

In the Matthew 20 parable, the “first” workers murmured against the last hired (go read the whole of Matthew 20:1-19)..Jesus’ point was that the first and last were accounted as the SAME...the difference was the hardness of heart and unwillingness to see the economy of the kingdom which was OUTSIDE the constraints of TIME. The child of seven days enters in by FAITH (KNOWING)...those of the external signs must go back and become the child of faith.

As we go into this time of the metamorphosis, do not become prideful...do not rest in your own understanding. The open heart and the willingness to BE the signs of the open kingdom align to the purposes of the Father, and of the Son, and in the Heart of the Mother who is Wisdom, The Holy Spirit. This is the heart that passes into the Fullness, this the soul who walk through...the window of time.

This has been the Threshing Floor...I'm Randy Maugans...the Truth is out there...the Kingdom is within you...stay in the Now-ness...It's time!

If Not Now, When? -Incubus

I have waited
Dined on ashes
Swung from chandeliers and climbed Everest
And none of it's got me close to this

I've waited all my life
If not now, when will I?

We've been good
Even a blast, but
Don't you feel like something's missing here?
Don't you dare

I've waited all my life
If not now, when will I?
Stand up and face the bright light
Don't hide your eyes
It's time

No umbrellas
No sunglasses
Healing [hearing?] Hallelujah everyday

I've waited all my life
If not now, when will I?
Stand up and face the bright light
Don't hide your eyes
It's time
