

Threshing Floor-02-19-2011: The Spiritual Fires of Egypt

By Randy Maugans

The last week has seen the fires, which began in Tunisia, spread across the ancient regions: Libya, Algeria, Jordan, Yemen... then Egypt and now Bahrain. Seemingly, these riots are about equality, politics, economics, and political-religious factions. Clearly, the most prominent target for the fires now lit is Israel, which stands to gain from the weakening state of its neighbors.

The real fire is in a higher dimension...the spiritual realm, where ancient battles take place...and are heightening as the war for human souls elevates in these momentous hours. The battle of the spirits...the archons of Satan vs. the warriors of Michael are part of what the scriptures detail in Revelation 12:7 *And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels...*

And profiled by the prophet, Daniel in the 12th chapter of the book:

1 And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.

The battle is joined!

We are to be a spiritual people. We need to view and process events from a perspective above the news feeds, video footage, and opinions given to us by the elite news agencies around the globe. We battle not in flesh and blood. The drama is arrayed as the dialectics of Jews v. Muslims, socialists vs. democracy, fascists, communists...these are all labels given to the confederacy of the great dragon who now controls the dark matrix of planet Earth.

The Rift

It is interesting to note that in the midst of these unprecedented events in the Middle East and northern Africa, a huge spiritual rift has opened. As I have been praying, meditating, and viewing...I see the opening of the portals...the spiritual realm is conjoined with the physical dimension...the powers of the Satanic archon both fuel and feed from the passions of men. The fires are lit in the souls of those who dwell in the darkness (spiritually) of the Earth realm.

We note the solar event of February 14ⁱ, St. Valentines Day, when a coronal mass ejection was recorded from our own sun. This was followed by another solar flare on Friday, February 18 which approached what is called an X-class category blast...the strongest flares encountered in years. These in turn, have produced heavy, and sudden, ionization waves within the upper atmosphere of the Earthⁱⁱ, which in turn have now sparked a solar wind environment, called G1 class geomagnetic storms, around the planet and triggered powerful auroral activities even during periods of normal lunar interference at full moon.

We also see increased seismic activities, notably here in the US where a swarm of quakes continue in Arkansas...two dozen quakes ranging from 2.3 to 4.3 magnitude over four daysⁱⁱⁱ of the past week.

There are no coincidences: the spiritual overlay is heating up---literally. The fires of Egypt are a symbolic enactment of the wars occurring on the spirit planes...in "real time." In the scriptures of the Hebrews, we find the term "wells" used to symbolize what we may call portals, or vortex events..the Hebrew word used for well is, oddly enough, ma`yan, (mah-yawn')---similar to Mayan...hmmm! It is defined as a fountain or a source. The root word is more explicit: `ayin ("eye") - an eye (literally or figuratively); by analogy, a fountain (as the eye of the landscape):--affliction^{iv}.

In the Book of Zechariah, the prophet we read:

"Then the angel that talked with me went forth, and said unto me, Lift up now thine eyes, and see what is this that goeth forth. And I said, What is it? And he said, This is an ephah that goeth forth. He said moreover, This is their resemblance through all the earth." (Zechariah 5:5,6)

The word translated as "resemblance" is the Hebrew word ayin...or eye...it is a portal opened up, a rift between the spirit realm and the Earth. All the symbolisms arrayed in the Zechariah prophecy must be decoded through the lens (pun intended) of this understanding:

"Then lifted I up mine eyes, and looked, and, behold, there came out two women, and the wind was in their wings; for they had wings like the wings of a stork: and they lifted up the ephah between the earth and the heaven." (Zechariah 5:9)

In the Kabbalist writings, called the Zohar, it is written about the portal which exists over Jerusalem, called "**the Gates of Magdon**". **These** gates are signified in the scriptures by colors, or auras, which can be seen (spiritually, and at times in the natural), as was by the scribe called John in Revelation 4:

"and He who is sitting was in sight like a stone, jasper and sardine: and a rainbow was round the throne in sight like an emerald."

These visions of the scriptures show us celestial events which are portends of times of revelation...and judgment. Watch how similar natural signs are given in scripture to denote key events---always related to times of a profound “opening” in the spiritual realms: Smoke, fire, the raging seas:

Exodus 19:18 *And mount Sinai was altogether on a smoke, because the LORD descended upon it in fire: and the smoke thereof ascended as the smoke of a furnace, and the whole mount quaked greatly.*

Revelation 9:17 *And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses were as the heads of lions; and out of their mouths issued fire and smoke and brimstone.*

Jude 1:13 Raging waves of the sea, foaming out their own shame; wandering stars, to whom is reserved the blackness of darkness for ever.

The quote from Jude looks very much like a mixed metaphor, until one understand the spiritual dynamics of how the heavens are opened for viewing by the spiritual eye. The opening of the spiritual eye is the critical element for perception of events, and the invitation to intercede with Creator for His will on the Earth.

Viewing the Events from An Open Eye

The Christ, Jesus, tell us a most critical truth...long overlooked...or suppressed by teachers of our times:

“The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light.”
(Matthew 6:22)

The Greek word here is: of-thal-mos'- the eye (literally or figuratively); by implication, vision; the root word, optonamai, means: open eyes, as at something remarkable.

The Christ notes: *“if therefore thine eye be single...”*, which means: union, properly, folded together, i.e. single (figuratively, clear):--single. So the “eye”...the VISION is a singular vision...clear, showing LIGHT. This is the Christ’s veiled revealing of what mystics call the “third eye”, what we call the Holy Spirit!

Even more cryptic is the notion of “dark light”, expressed by Messiah:

“But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness!” (Matthew 6:23)

The act of “seeing”...the work of the true Seers, belongs to the occurrence of visions with color, brightness, explicit signs which are metaphors. The metaphors symbolize the movements of the spirit realm and are prophetic omens for those who have the “singleness of eye”...the vision that opens up the spiritual realms.

The Zechariah vision of the ephah is not literal...it is a portend (an omen or sign) of the release of an opening of the spiritual realms to the prophet. It is a vivid opening of the portal which provides glimpses

into the workings on the spiritual overlay. The prophet, Ezekiel details a stunning vision whereby the Almighty opened up the rift between the Earth and the spirit realm:

“And he put forth the form of an hand, and took me by a lock of mine head; and the spirit lifted me up between the earth and the heaven, and brought me in the visions of God to Jerusalem, to the door of the inner gate that looketh toward the north; where was the seat of the image of jealousy, which provoketh to jealousy.” Ezekiel 8:3

Ezekiel enters the rift...his mind is opened (symbolized by “the lock of my head”---the word here means a “wing like projection”) and he is shown an opening to the portal in the “north”...again, the “north” is not a physical compass point, it is defined as:

hidden, i.e. dark; used only of the north as a quarter (gloomy and unknown), the root word, *tsaphan*, to hide (by covering over);

His “eye” is opened, his head...the mind or consciousness...is given to SEE events which are encoded in more veiled language of events which are to come...it is revelation. We, also can begin to SEE---the visions are being unsealed and the portals are opening in encoded data: signs, visions, symbols. The opening of the “eye” is for us to view the events which shape the times (*chronos*) in which we are dwelling, and to move into the appointed times (*kairos*), which are outside the temporal dimensions of the 3-D world.

Paul gives us a key, as well:

“Therefore judge nothing before the time, until the Lord come, who both will bring to light the hidden things of darkness, and will make manifest the counsels of the hearts: and then shall every man have praise of God.” (1Corinthians 4:5)

Can I tell you that the Lord HAS come...are you regenerated? Are you fully open to the spirit realm? Paul relates that he was, himself, translated into what he called the third heaven...he tells us the things he saw were forbidden to relate...but he WAS given the vision! The “Lord coming” does not necessarily mean the “end times” ...or “tribulation”, as we refer to them...the Lord comes today, He told us we would be given the singleness of eye to recognize the events upon the Earth...He told us of the revelation that “which God gave unto him, to shew unto his servants things which must shortly come to pass...” He has been unfolding vision, opening up portals, giving signs to His elect all along:

“I have yet many things to say unto you, but ye cannot bear them now Howbeit when that one(he), the Spirit of truth, is come, (he) will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come. “ (John 16:12, 13)

The Spirit of Revelation has come...so now, how do you view what you see?

It would be so easy to continue in the literal view of things. But the heart of God is LOVE (Agape). We are told to watch and pray (Mark 14:38)...and to not judge anything by our own understanding. In the spirit there are not Jews, or Muslims, or political divisions, or religious understandings...these are the

workings given by the “dark light”...**the dark matrix**...We discern through pure eyes with the heart of the Messiah and the Wisdom of the Holy Spirit.

We can discern the events around us with great clarity by dissolving the personal opinions, defusing the polarities of divisions...should we judge? Yes. But we judge in accordance with what is expressly revealed to us...no more, no less. Open your eye...let it be “single”; care more for your brothers and sisters who are caught in the lower realms of the earth. Pray for vision, pray for healing...the dark days will come without our bidding. Scripture tells us to “pray for the peace of Jerusalem”...and that PEACE is embodied in the Christ, and His elect.

“And I will cut off the chariot from Ephraim, and the horse from Jerusalem, and the battle bow shall be cut off: and he shall speak peace unto the heathen: and his dominion shall be from sea even to sea, and from the river even to the ends of the earth.” (Zechariah 9:10)

We live in momentous times, many are hurting, and many perish now...but we are to be the light of the world...open your eye...pray the vision: “Even now come, Lord Yeshua.”
