

No Fear No Fight

Radio Show-05-20-2011-Randy Maugans

This is the Threshing Floor pre-rapture edition, Friday May 20, 2011...I hope you catch the humor in that, especially if you hear this later in the paradigm we call linear time...I'm Randy Maugans

I find it interesting how the media have fixated on this current prediction by Harold Camping, of the "rapture" occurring tomorrow...which is May 21, 2011..this has been the fodder of cable new networks, radio talk shows, YouTube, and even the front page commentary of USA Today.

Some have speculated that this may be the open window for a major catastrophic event, say the eruption of the New Madrid Fault in the central southern US...and there IS some veracity to that speculation, given the current extreme...and man-driven weather, the flooding of the Mississippi...and the still looming "gaping wound" in the Gulf of Mexico.

When there is no rapture on this date...and barring some "V" like massive abduction by off planet beings...there will not (an rapture would be fake)...what we then are left with is just another discredit to Christianity...specifically apocalyptic "Bible" believers...and another layer of disbelief in the True GOD, YAHWEH, and His sent Messiah, the Lord Jesus Christ.

This goes as well into the continuous cycles of FAILED PROPHECIES by so-called practitioners of "Bible Prophecy. " I have lately come to the conclusion that the Bible---as we currently have it, and as it is being used...or misused...is a broken map in predictive prophecy. Man's mishandling of the written Word has a long legacy of not only being WRONG...but of continuing to discredit God, by the very people who claim to speak for HIM.

A subject for another show...but, again, a caution that many cults have built upon failed prophecies, in the modern era going back to the Millerite Adventist group, which morphed into the Seventh Day Adventists. Miller made several failed predictions: that Jesus Christ would return to Earth between the Spring of 1843 and the Spring of 1844....and later that Jesus would return on October 22, 1844...all based on Daniel chapter 8, and the doctrine of

“Biblical inerrancy” ...a doctrine which I hold as flawed based on the “missing data” of the accepted books, and, worse, man’s flawed, left brain attempts to decipher spiritual events.

Two more points on this:

- The Bible-based methodology employed by nearly EVERY pastor, prophet, teacher...etc. is flawed because of distortions in the time continuum---we have cyclically lost patterns of “time”, as recorded in the texts---including the Hebrew Feast cycles (see the LORD’s Calendar, and our own attempts to re-establish the cycles) ---because of previous cycles of what we now call “Earth changes”...or in the Velikovsky jargon, “catastrophics.”
- I believe prophecy is non-temporal---that is, they will fulfill but in cycles beyond our comprehension...again, because of space-time distortions, and the fact that time is NOT as “linear” as we perceive it; AND that real prophecy is a prophetic unction of the spiritual MIND, and not the left hemisphere functions of the human brain...of reasoning and deciphering and parsing word and numbers

It is not even “through a glass darkly...”, we cannot for the most part even SEE THE GLASS! So, stay close to the Spirit...to the INWARD voice of the Holy Spirit...and you will be guided and protected.

So, Where Are We?

As I talked about for nearly 2 years, now, we are in what we call “the shift”, what some have termed “the transition”. To refresh, here is what I wrote and spoke on Dec. 23, 2009:

“A sharp shift in the Spirit is occurring—a mobilization of forces which will clash in the realm of powers and principalities. The prophetic clarion call has to do with healing, deliverance, and restoration, to those who follow the Living God.

What follows the healing is an empowerment of authority to take back ground—even the Holy ground which has been defiled and illegally appropriated. This is about YOUR healing, YOUR destiny...the future of YOUR generations...and the consummation of an ancient battle.”

I also stated:

“The war is coming...it will be in multiple dimensions...in space-time shifts...in the natural...in spaces above, in the earth and below in the abyss.

It is about perception and consciousness...REPENT (change your MIND)...we are not here to massage your reality, but to DISRUPT it.

We are now leaving the comfort zone to move to extreme change...THE SHIFT is here. To survive you need to be in the Source...in the place of the STILL” –Threshing Floor, Nov. 17, 2010

Those who have asked about this “new thing” or new doctrine of late, clearly weren’t listening.

What manifests...that which comes to bear---in the realm we call “real”---are direct reflections of both our individual and collective minds...our consciousness. Humanity, as a whole are asleep (though they walk and function in “real time”...as if time is actually real), they are unawakened..essentially automatons, zombies, caught in the cycles of birth-life-death, wealth-poverty, sickness and wellness...all relative state that have no absolute. Each change in a life state...of the moment-by-moment ticking of the artificial clock brings emotional responses triggering chemical and electrical responses in what is called the **limbic system** of the brain, or what is also called the **paleomammalian brain**---more an anthropological term tied to the false theories of human evolution.

This limbic system is really a set of response centers in the human brain that monitor and support behaviors and functions such as motion, behavior, long term memory, and olfaction (smell), and in turn influences the endocrinal system and the human autonomic response system (the visceral nervous system)...a complex of responses such as heart rate, digestion, respiration rate, salivation, perspiration, diameter of the pupils, micturition (urination), and sexual arousal, among others. In other words, this order of brain function is what we would call the “monkey brain” or primal response center.

Sorry to get technical, but that brief explanation will be useful to understand some larger SPIRITUAL issues related to change, fear, and the primal responses of “fight or flight.” In the “fight or flight” scenario, we observe the following:

- Diverts blood flow away from the gastro-intestinal (GI) tract and [skin](#) via vasoconstriction.
- Blood flow to [skeletal muscles](#) and the [lungs](#) is enhanced (by as much as 1200% in the case of skeletal muscles).
- Dilates bronchioles of the lung, which allows for greater alveolar oxygen exchange.
- Increases [heart rate](#) and the [contractility](#) of cardiac cells ([myocytes](#)), thereby providing a mechanism for the enhanced blood flow to skeletal muscles.
- Dilates pupils and relaxes the ciliary muscle to the lens, allowing more light to enter the eye and far vision.
- Provides vasodilation for the [coronary vessels](#) of the [heart](#).
- Constricts all the intestinal [sphincters](#) and the urinary sphincter.
- Inhibits [peristalsis](#). (digestion)
- Stimulates [orgasm](#)

In other words, all the base human responses related to the protection, propagation, and base requirements of the human being. None of these responses are evil or good...they “are.” As biological beings we require these responses to survive in a physical dimension. Key emotional triggers, such as threats to the self, stimulation of desires like hunger or lust, the perception of an imminent danger...any changes that would jeopardize the biological unit, trigger the limbic system and begin a cascade of response resulting in heightened state of physical and emotional readiness.

We live in the time where these responses are on constant “red alert.” Our exposure to streams of constant information, bombardment of the senses by media...radio/TV, magazines, billboards...and their embedded subliminals; the atmospheric changes created by an onslaught of manmade energy waves in our atmosphere--- radio waves, microwaves, scalar waves, the radio and TV waves in our environments, and the now almost ubiquitous wi-fi signals that allow us use internet from device...all of these environmental “triggers” have posed to the human entity, what we would call a state of “constant agitation”...a state of perpetual excitation of our base human responses.

This is not an accident of the modern culture, but a DESIGN. The design is a sign post of the era we were born into, and what was referenced in the New Testament Book of **Ephesians chapter 2, verse 2** as:

“Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience: Among whom also we all had our conversation in times past in the lusts of our flesh, fulfilling the desires of the flesh and of the mind; and were by nature the children of wrath, even as others.”

The word “course” in the KJV Bible is also rendered as “age.” Notice the list of “symptom” give by the writer: the desires of the flesh (lust, primal desires), doing the wishes of the flesh (fulfillment of perceived needs) and of the thoughts (or imaginations, what we would call “responses” to the base emotions). This is the being rooted in the limbic system of the brain and the triggering of the autonomic system!

This “technological” age into which ALL of us were born, could not possibly fit more precisely such a picture of humans in bondage to a Satanic System. One of perpetual agitation, triggering of the basest emotions, a constant barrage of triggered base human responses...the perversion of our sexuality, the exploitation of our visual, auditory, and ...yes, above all...FEAR responses---the “fight and flight” of the “monkey brain” which reacts most intensely to intense physical arousal.

The brain does not really differentiate between responses...lust and anger are remarkably similar, the source of stimulation is not mitigated by the “monkey brain”...one may respond to a very real danger and a subliminal trigger in very much the same way. Our senses are bombarded by media: TV, radio,

magazine ad, billboards, the “Flash Adverts” on the web...and the media of microwave, scalar, and pulse technology of the military-industrial state, that is now global. Understand that the modern entertainment” industry (“entrainment” would be more fitting, as we are being programmed on a global level) is just another arm of what is called this “Military-Industrial Establishment.”

This age was foreseen, and pre-ordained from of old because, as Solomon noted, there is “nothing NEW under the sun.” Technology is not new, nor is it manmade, but is INSPIRED (note the SPIRITUAL component) by a counterpart in the realms of the ruling dimension...call it the “matrix”...of the “Fallen Ones”...**the Archons** which presently rule...the “Children of Disobedience.” The psychotronic net (power of the air) which covers the earth is very old system which has been restrained...beaten back...by what has been termed in the scriptures as the “great war in the heavens” ...the battle of “Watchers” and “Holy Ones.”

Because we think we are “modern”, that this time is when man has “advanced” to harness the science of atoms, molecules, electricity, and forces which are “invisible”...and because of historical revisionism by our historians, professors, institutes of “higher learning”...our governments and especially our “churches”...we have lacked the comparative contexts to understand that, literally, we live in the times of the RETURN of these Fallen Ones. Their kingdoms are maintained...and now re-opened...by the very bloodlines, the ruling elites we may call the Annunaki...the hybrid bloodlines of human-angelic children, which go under many names in both the accepted scriptures, the so-called “outside books”, ancient literature, and in the pictograms and structures arrayed around the planet.

We think of the ancient myths, of the shadows of ancient worshipping systems from the Sumerians and Egyptians, to the cultures of the Mayans Aztecs, Toltecs, and tribal American cultures...as something removed from our present “modern” systems. “We” are not “superstitious”...in fact, “we” can declare God...and the “gods” dead by our science and our “evolutionary” process. It is, in fact, the very lies of religion...ALL religions...that has hidden from us the very dangers we now face.

“My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject them”-Hosea 4:6 (paraphrase)

Break-----“Mad World”

The scriptures seem to always allude to battles, to destructions on the earth which are ordained (seemingly) by the Creator. The trigger is nearly always ignorance...and ignorance is fear. It was the task of the prophets, in all times, to warn and to instruct...ancient Israel would lose their instructions...called the Law, or Commandments and fall into darkness...fall into fear...and eventually into WAR. The 11th

chapter of Daniel, verse 38, details in cryptic, but extensive details, this ancient battle...fought in the heavens, and paralleled in the earth realm with the mention of an earthly king...a ruler who would be called one of the Annunaki as honoring the “God of forces” in the KJV...or the God of STRONGHOLDS...the God of War.

Man learned war from these ancient Gods, and beginning at Babel in the Hebrew scriptures, man literally fought against GOD (YHWH, the Creator), as pictured in Nimrod, a hybrid ruler described as a “mighty one”---a giant who was also spawn of what is called the Gibborim...a tribe of half-human/half Nephillim warriors. Both of the Old Testament prophets, Isaiah and Micah...I nearly parallel renderings, state:

“And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, **neither shall they learn war any more.**”

Man **learned** war, and has been spiritually driven for millennia to continue warring, the continue fear, to exploit and conquer...not for defense, or for gain, but to destroy the spiritual nature hidden deep inside the Human Spirit which God created. The first act of murder...of Cain slaying Abel...was an act of war against the Creator! It was a vicious act of both fear and lust, the activation of the limbic system **in service to SELF.**

The Orb of Fear

Our present understanding of the earth...which is separate from the “world”---which is **the system** of the present age---in the context of metaphysics, is limited to the “monkey brain”...our senses, perceptions, and group consciousness. The product of conditioning, historical revisions, and a stunting of the spiritual senses with which we were originally created.

The original creation was a SPIRITUAL EARTH, separate, I believe, from the present physical creation...this may explain why there are TWO creations in the Book of Genesis...one seen in chapter 1, and the second, in chapter two. This goes, as well, into the “spiritual overlay” which we talked about in the “Third Day” studies for several years.

This spiritual earth, it seems, at some point---probably the flood of Noah, MERGED with the present physical earth as a catastrophic event which literally fused TWO worlds, two planets, two timelines, two civilizations into the lower earth which we presently inhabit. Is that controversial? Can I prove it? Would it explain the anomalies of historical “gaps” seen in the scriptures...and would it not explain what we call “The Fall”...where a creature once divinely walking with God, suddenly is snapped back to some more primitive spiritual estate...disconnected from the Almighty and living in a realm inhabited with demons, murder, lust and war?

For that bit of speculation, we would need to delve deeper into the ancient myths, runes of megalithic sites, and a history to which we have very little access. But there is strong evidence in amassed research that indicates just such an event MAY have occurred...and that we are now in the age...a CHANGING of ages...when these two constructs are about to SEPARATE.

This present “world” ...this physical Earth which we inhabit, is a far cry from the one pictured in both the Bible, and the ancient mythological writings. The Biblical Eden was perfect, provided perfect water, perfect light, a system of vegetation that required no labor of the creature...the human. That creation lived in perfect harmony with all the other creatures---the animals. That original creature lived in perfect peace, and was in direct contact with its Creator....the Bible says that. “Enoch walked with God...” Enoch was the last of the “Old World”---referenced by the New Testament book of Second Peter:

2Peter 2:4 *For if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment 5 And spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly;*

Could it be that this present world...this “earth” we now inhabit, IS, in fact, this very same “world of the ungodly?” Read **Hebrews 11:7**....carefully:

“ By faith Noah, being warned of God of things not seen as yet, moved with fear, prepared an ark to the saving of his house; by the which he condemned the world, and became heir of the righteousness which is by faith.”

Now if THAT world...the world which Noah occupied was condemned...and the flood was brought into “the world of the ungodly” ...are we not talking about TWO worlds...the one which is described in Second Peter as the the world of the ungodly and the one known as “the old world” which was condemned by Noah?

This brings us to **Revelation chapter 21**, the restoration of the Spiritual kingdom:

10 And he carried me away in the spirit to a great and high mountain, and shewed me that great city, the holy Jerusalem, descending out of heaven from God,

11 Having the glory of God: and her light was like unto a stone most precious, even like a jasper stone, clear as crystal;

12 And had a wall great and high, and had **twelve gates**, and at the gates twelve angels, and names written thereon, which are **the names of the twelve tribes of the children of Israel**:

13 On the east three gates; on the north three gates; on the south three gates; and on the west three gates.

14 And the wall of the city had twelve foundations, and in them the names of the twelve apostles of the Lamb.

15 And he that talked with me had a golden reed to measure the city, and the gates thereof, and the wall thereof.

16 And the city lieth foursquare, and the length is as large as the breadth: and he measured the city with the reed, **twelve thousand furlongs**. The length and the breadth and the height of it are equal.

17 And he measured the wall thereof, **an hundred and forty and four cubits, according to the measure of a man**, that is, of the angel.

Without going into an extensive study on this show, let me say that THIS kingdom, called SPIRITUALLY, is The New Jerusalem, is this restored "Old World"...the Spiritual Kingdom from we---and the Unholy Angels FELL!

This kingdom...the spiritual "earth"...the New Jerusalem...is what is referred to in the letter to the Galatians:

Galatians 4:24 Which things are an allegory: for these are the two covenants; the one from the mount Sinai, which gendereth to bondage, which is Agar. {covenants: or, testaments} {Sinai: Gr. Sina}

25 For this Agar is mount Sinai in Arabia, and answereth to Jerusalem which now is, and is in bondage with her children. {answereth to: or, is in the same rank with}

26 **But Jerusalem which is above is free, which is the mother of us all.**

This present world...this world of the ungodly...this **Orb of Fear**...IS passing away! The Great Shift that we are experiencing NOW is the shaking of “the things that can be shaken”, and beyond this temporal realm is the kingdom of God...

1Corinthians 15:50 Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption (death) inherit incorruption (immortality).

As I am recording this show, the world is in complete delusion. President Barak Hussein Obama has formally declared that Israel must return to the borders of the pre-1967 war...effectively dividing Jerusalem. This in itself will enflame the sensibilities of the pro-Zionists here in America, and around the globe. Futhermore, he has declared that the Arab states MUST accept the EXISTENCE of an Israeli state in their midst...a condition to which the Arab mindset will never concede! Perplexities compound now...the ring of fire is lit: the major holocaust in Japan--tsunami, earthquake, and now the half dozen nuclear meltdowns...ALL point to a drama that is unfolding in this current time frame. The US banking system...which is really the GLOBAL cabal of European money masters...is engaged in a full-on WAR t\o preserve itself from the consequences it has sown for a hundred years...the RICH MEN of the Earth are seeing their own factions divided (remember, a kingdom divided against itself cannot STAND)...earlier this week the IMF head, Dominique Strauss-Kahn, was arrested in New York on charges of rape/sexual assault on a hotel maid...remember the attempt to charge WikiLeaks' Julian Assange with a similar charge late last year?

This is a “take down” by the Rockefeller faction of the global cabal...ordered, no doubt by David Rockefeller, personally, as a tactic to further take down the Rothschild branch of the banking elites...even as they paper the world in bad debts, phony bonds, and stolen booty. We are seeing the dominoes fall at a dizzying rate.

The Earth, as I said in a show last year, is sacred. It is a living geomorphic sphere tied, spiritually, to the Living God---this NOT “earth worship” or the “Gaia” construct of the new age ranks...the scriptures tell tell us that THIS is the trigger of the WRATH of God:

Revelation 11:18 And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldest give reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great; and shouldest **destroy them which destroy the earth.**

We are in the time of the shift...the cycles of judgment are rolling. There will NOT be a “rapture”, but there IS an escape...Jesus told us about it :

Luke 21:36 Watch ye therefore, and pray always, that ye may be accounted worthy **to escape all these things that shall come to pass**, and to stand before the Son of man.

The “escape” is SPIRITUAL---it is the bridge between two worlds. The Christ came to show us the power we hold as SPIRITUAL beings...and yet, many do not want to hear this message. Many have worked for centuries to HIDE the true message of Jesus, which was one of “crossing over”, of moving outside this “Orb of Fear” and to walk between worlds on the BRIDGE of a spiritual transfiguration. What is called in Romans, “the MANIFESTATION of the sons (and daughters) of God.”

You can’t do this in the flesh...and yet, some...here in this present time will begin to TRANSCEND the flesh. Christianity, the religion that sought to hide the things of God, has altered your understanding of Christ. It has deliberately---under the orders of the ruling elites, and the direct control of the Archons...the Fallen Ones...altered the scriptures, expunged the mystical writings, created a “FORM of godliness, but denying the power, thereof...” (2 Timothy 3:5), and attempted to leave us without the very ESCAPE promised by Messiah.

We have no part in the present wars. We have no battle...no fight to withstand, EXCEPT the spiritual battle where GOD fights for us. No fear...no fight...perfect LOVE casts out ALL fear. Even now, the very “elect” ARE being deceived...your religions, your Bibles, your particular FORM of godliness will not save you. If you resist the Wisdom of the Holy Spirit, she will leave you desolate...crying in the gates of this Orb of Fear, this world system now condemned.

I’m closing out this show with a song...dedicated to a friend of mine, Dennis, who told me about it...he is hurting right now, as are many of you. We are not long for this present world...and in the world to come your tears will be dried and all infirmities healed...the LAST enemy, Death will be vanquished. Thanks for your prayers and support...all my love and the Divine love of the ONE God...in the day to come.

I’m Randy Maugans...this has been The Threshing Floor.
